

Blankets for Project Linus

Calling all Ocean Air students grades 1 through 6!

Help make blankets for San Diego children that are seriously ill or in need.

When? during Lunch recess on Tuesdays
Jan 24th, 31st & Feb 14th

Where? Ocean Air MUR

No blanket making experience needed. It's easy and fun! Bring a friend and help make a difference in the life of a child.

Parents: if you'd like to help our children make these blankets, please contact [Alison Gaconnet](#) or [Suchita Jariwala](#) to volunteer.

Project ♥ **Linus**
Providing Security Through Blankets

Project Linus is a national organization that provides quality homemade blankets to children ages 0-18 years, who are terminally ill, in foster care, or in need. Blankets that we make will be distributed by the San Diego chapter to children in the SD North Coastal region. For more information visit their website: www.projectlinus.org
